Amigos Fan Appreciation Celebration

Thank you for your support!

On Saturday March 9th the Amigos and their fans had the second Annual Fan Appreciation Celebration! A great time was had by all. The food was delicious, thanks to our volunteer chefs and their helpers and the "Ladies of the Amigos". The winner of the beautiful stained glass piece was Margo Baker of Del Tura! Congratulations to her and thank you to everybody who bought a ticket. Better luck next year.

The Amigos would like to thank the following:

- Our Fans – The Amigos have the best fans, as well as the best attendance each game. Please join us at Carmelita Field in Punta Gorda for the next two Monday and Wednesdays as we defend our championship title from 2018.
- Del Tura's New Year's Eve Committee for their generous donation to the 2019 season.
- Nick Mattresse and the Poolside Pub & Grill for his continued sponsorship of the team.
- Sue Smith & Ruth Wedge for their talents in creating our centerpieces.
- Music by: Del Tura's Back At it Again

One of the main events of the night was our second annual Hall of Fame induction. As announced by our venerable Manager Stan Young the 2019 Inductees were: **Dave Denman, Jay Flanagan and John Ruttman**. These fine gentlemen are at the core of the Amigos tradition. A huge thanks goes up to them.

Finally, here are some of the pictures capturing the event. A special thanks to Jack Theriault and his wife for being the photographers.
