

# LIVERPOOL LIVE

LIVERPOOL LIVE is Florida's top rated Beatles tribute band. They are true entertainers, not just a scripted show. They will ask you to clap to the music, sing to the music and dance to the music. Their performance is spot on! Here is the difference from the others: They will involve you and present you with secrets and stories about the Beatles and their songs. Their performance is exciting and captures the wit and humor of the Fabs. What was the Beatles' first number

1 song in the USA? (they will ask) These are just some of the things that these entertainers bring. Yes, this is a full costume show. The music is a note for note copy of the Beatles' music. Even their instruments are duplicates of the Beatles gear. Members of this group include past cast members of Disney's Epcot in Orlando and Beatlemania. This group has played it all from corporate shows to SOLD OUT theaters. Liverpool Live is a group of truly professional entertainers that will completely involve the audience! You will love the music and love the new spin on the performance.
