

Couple of the Year, Dan and Sue Larson

When we moved to Del Tura, we went to as many events as we could in order to get a feel for our new community.

Although we did not know a lot of people, I always saw Dan and Sue Larson, either helping at an event or participating in the event(s).

They always stopped to say hello, invite you into their conversation, and made you feel comfortable and welcome.

Now that I have been here for going on 4 years, I still can count on seeing Dan and Sue at most community events, participating, or volunteering in one way or another.

Recently I was working with the new Tower Circulation Coordinator. Because of an unexpected change in Tower Staff, we were concerned about getting the February issue distributed on time. Not only did the Larson's immediately volunteer to step up to be Distribution Coordinators, but they also volunteered to take on additional routes in order to assure all our HOA members received their papers in a timely manner.

You will see Dan and Sue arriving early on Tuesday to sell raffle tickets at coffee in order to help fund our social hour.

If you go to HOA Pancake Breakfasts, most likely you will see them collecting tickets at the entrance.

Dan has recently taken on a new role as a proofreader for the HOA Website.

Dan and Sue have volunteered on many committees over the years, most recently helping with Night at the Races.

Thank you, Larson's, for all you do!
