Next HOA BOARD MEETING
Wednesday, November 9th, 2022 – 7PM
Starlight Ballroom

NOTICE:

Due to the time restrictions required to correspond with Hometown American regarding the recent rent increases, the HOA Board of Directors did an emergency vote (Section VI-6 of the Del Tura By-Laws). The board approved the Statutory Committee members. The members are, Larry Moon (Chair), Darlene Fincham, Ruth Ann Blevins, David Szadaj, and James Hooper. The committee has submitted the necessary documentation required to arrange for meeting(s) with Hometown America according to FS-723.

An emergency vote was also done to approve a new Finance Committee to collaborate with our Treasurer, Darlene Fincham. This approval was necessary so they can begin work on the 2023 budget and have it ready for board approval as quickly as possible.

The above two emergency vote(s), and the explanations for needing to expedite them, will be read into the 'committees' section of the November 9th meeting and back up documentation will be provided for the minutes.

I want to thank all the residents of Del Tura for understanding that under certain circumstances things cannot always go on as we would like. We believe that this meeting date will work best for the everyone.

Thank you,
Lisa Bellanca
Del Tura HOA, President
