

Couples of the Year

This year it was hard to choose one couple for Couple of the Year. The 2 couples I choose have done so many things for the community.

My choices for Couple of the Year are Frank and Lisa Bellanca and Steve and Darlene Fincham.

The two couples have contributed countless hours of volunteer time.

Lisa and Darlene serve on the board and I can tell you from experience this is not just a meeting once a month. Many hours are spent each and every month working on behalf of our residents. They have also served on many committees.

They have been responsible for the Outdoor Christmas decorations and all the time it takes to produce our lovely displays. I have witnessed Steve out after dark fixing electrical outlets which have failed, just so the display stays beautiful for the rest of us.

They are also why we had the Chow Down, Spaghetti dinners, and Thanksgiving dinner. They were the organizers as well as the prime volunteers until the last dish.

Let's not forget the huge job of running and organizing the Craft Fair, with countless meetings and phone calls, scheduling volunteers, filling vendor slots. As I said A HUGE job.

The couples were the organizers of the 4th of July celebration. I hope you had a chance to participate in some of the activities from morning to late afternoon. The parade, games, lunch, and ice cream social. As with every event these two couples have organized, they wanted the community to enjoy it all.

I could go on and on with what these two couples have done for your community.

It is my pleasure to announce the Couples of the Year. Darlene and Steve Fincham, and Lisa and Frank Bellanca.
