

Announcing the new Del Tura HOA Official Facebook page!

The purpose of the HOA Facebook page is to provide an official means of communication of all things HOA such as HOA meeting agendas and minutes, videos of HOA meetings and Tuesday morning coffee, official fliers for HOA sponsored events, etc.

This page will only contain factual information regarding HOA events and therefore will be read-only. The HOA page will be consistent in its delivery of HOA information.

This page is another avenue of communication from the HOA and does not take away from the current communication vehicles such as articles in the Tower, the Del Tura website (deltura-hoa.com), the electronic sign at the entrance, announcements during Tuesday coffee, the HOA bulletin board outside of HTA's office and HOA official e-mails. In today's world there are needs for many types of communication and Facebook is just another tool that is very popular with many generations of people.

The name of the new Facebook page is "DelTura Official HOA Page". The page is open to all residents so please search for it and join if you wish to see official HOA information including HOA sponsored event fliers.
